To Whom It May Concern:

Greetings from The Kinnikinnick School District #131, "Flamingo Fling Foundation" committee. My name is Lori Hanke and I am the current President for the "Flamingo Fling" fundraiser, benefiting all the students of the Kinnikinnick School District #131. As a respected member of our business community, and past supporter we would like to give you an opportunity to advertise your company and support our "Flamingo Fling" fundraiser. This event has been a part of the Kinnikinnick School District for 20+ years.

We are looking for a donation of either an item from your establishment or a service that could help with our fundraising event on Saturday, November 6, 2010. We are having a dinner, dance, silent and live auction at Hoffman House, in Rockford, IL that evening. We have found the "Flamingo Fling" to be a major success for everyone involved.

The companies that donate items will have the opportunity for both new and repeat customers, and best of all the children of our future will benefit. In the past 7 years that I have been actively involved with this event, we have raised **\$65,000.00** that went entirely back to the schools to help with **updating playground equipment, technology, purchase of reading curriculums that are currently being used in the classrooms, reference and research materials that are being used in the classrooms, display materials to show off the children's artwork, recording equipment for the band to show a child's progression through their band years, the complete purchase of the school's emergency notification system, and most recently we sponsored a 5th grader for their Timber-Lee experience.**

We would gladly welcome any type of donation that you would like to give. We will proudly display your item in our themed baskets, and larger items will be held for the live auction. Should you decide to submit a monetary donation attached is a form for several areas where you may make your donation in the form of a sponsor.

Please feel free to contact me at anytime, 815-623-3840. We are very excited about this year's event and truly couldn't do it without your help and support.

Thank you in advance for your time and support, and I look forward to discussing with you any questions you may have about donations. Within the next several weeks someone from our committee will be contacting you to schedule a pick up time of your donation. Should you prefer to send your donation, send all donations to: Joyce Flynn, C/O The Flamingo Fling, 11561 Patty Lin Ct., Roscoe, IL 61073. To ensure recognition of all of our businesses that have donated we kindly ask to receive your donation no later than Friday October 15, 2010. Any donations received after that date will still be recognized on a poster.

Sincerely,

Lori Hanke
Flamingo Fling Foundation
President
